

BULLETIN BOARD POLICY

The Library grants permission to groups to have posters and other announcements placed on the library bulletin boards. Such permission is granted through the Public Relations Office.

The following rules for material on bulletin boards will apply:

1. No poster or announcement of a commercial or profit-making event shall be permitted.
2. Priority will be given to material from East Meadow organizations.
3. The Library reserves the right to exclude posters because of size, or content for reasons of propriety and taste.
4. Only a library staff member may put up bulletin board material.
5. The Library will determine the length of time material may be displayed.
