## MAY - JUNE

### 2025

#### Annual Message from Your Library Board Dear Community Resident:

The following is a summary of the  
proposed Library Budget for 2025/2026:

	CURRENT	PROPOSED	%CHANGE
Total Budget:	\$8,720,914	\$8,947,212	2.59%
Amount to be raised by taxes:	\$8,383,414	\$8,609,712	2.59%

The Library's Board, Administration, and Staff remain committed to providing you with excellent library services. If you haven't visited the library recently, we invite you to stop by – we'd love to see you! We are pleased to announce that we are staying within the tax cap as prescribed by law. The long form of the budget is available at the library and on our website at [www.eastmeadow.info](http://www.eastmeadow.info).

The budget hearing will be held on **Wednesday, May 14, 2025** at 6:30 p.m. at the library. Everyone is invited.

#### Revenue

We want to assure the community that our budget remains within the tax cap. There have been no changes to the revenue budget, as our projections remain consistent with expected revenues.

#### Expenditures

**Personnel & Employee Benefits** – This year's budget reflects an 18.5% increase in contributions to the New York State Retirement System, along with a nearly 2% increase in health insurance costs. These rising expenses are necessary to ensure that we continue to meet our obligations to staff benefits while maintaining the high level of service our community expects.

**Furniture and Equipment** – To help offset the 18.5% increase in contributions to the New York State Retirement System, we have reduced the furniture and equipment budget by 15%. This allows us to prioritize essential expenses while remaining fiscally responsible.

**Books** – We have increased the book budget to better meet the needs of our community and to address the rising costs of materials. This ensures continued access to a diverse and high-quality collection for all patrons.

**Audio** – We have increased funding for eAudiobooks to meet growing demand.

**Budget continued on pages 22 - 23.**

**The Overnight Guest by Heather Gudenkauf**  
**Monday, May 12 at 7 p.m.**

**Registration will open on Thursday, May 1 at 9:30 a.m.**

True crime writer Wylie Lark doesn't mind being snowed in at the isolated farmhouse where she's retreated to write her new book. It would be a perfect retreat, if not for the fact that decades earlier, two people were murdered in cold blood and a girl disappeared without a trace. As the storm worsens, Wylie finds herself trapped, haunted by the secrets contained within its walls and by secrets of her own. Then she discovers a small boy in the snow and brings the child inside. She begins to search for answers. But soon it becomes clear that the farmhouse isn't as isolated as she thought, and someone is willing to do anything to find them.

## Annual Message From Your Library Board 2025/2026: (continued from page 1)

**Material Services** – A decrease in the serials budget line to align with previous years' spending and help offset rising costs in other areas.

**eBooks** – eBook expenditures remain largely unchanged.

**Periodicals & Newspapers, Library Supplies and Services** - There are no major changes to these budget lines, aside from a reduction in the telephone and data expenses. This decrease is the result of cost-saving measures implemented by switching to more affordable options while maintaining the same level of service.

**Programs and Exhibits** - Programming remains one of our most popular services. A slight budget increase has been allocated to better support and enhance our existing programs.

**Film** - The decrease in the film budget line reflects a reduced demand for physical items, coupled with an increase in patron usage of streaming services. This shift allows us to allocate resources more effectively in response to changing preferences.

**Building Expenses** - Building expenses have been adjusted to better align with previous years' spending. While there is an increase in electrical service costs, most other areas have been reduced in order to offset increases in other budget categories. This ensures we are managing resources efficiently while maintaining essential services.

**Debt Service** - Defined by school district.

Respectfully Submitted,  
Domenick Pesce, President  
Michael Turner, Vice President  
Andrea Kessler  
Janet Barsky  
Ellen Matishek
