# THERE'S NO PLACE LIKE HOME ...

First, and foremost, we wish you all a happy and healthy New Year. We look forward to new and wonderful times together in 2019.

After a thorough search for an affordable and appropriate temporary space to house EMPL during the renovation, it has become apparent that we will not be able to locate a suitable property. The solution is to stay in our current building and conduct the renovations in stages.

While one section of the building is going through renovation, we will be securely housed on the other side of the building. The safety and health of our patrons and staff are our primary concern. All necessary precautions will be taken in accordance with State regulations. It will be a challenging time, but the end result will give us a better, more efficient and welcoming home. We appreciate your working with us and your understanding during this time.

There will be two public information meetings: **Tuesday, January 15 at 7 pm** and **Thursday, January 24 at 10 am**. Members of the Library Board of Trustees and the Administration will be there to answer any of your questions. Of course, you are welcome to stop in and see me or Rocco Cassano, the Library's Assistant Director, at any time with any of your concerns.

Thank you for your support,

*Carol Probeyahn,*
