- During construction the Library will remain open!
- Building plans are being finalized and will be submitted to the New York State Education Department for approval at the end of 2017.
- The design, approval and bidding process may take roughly 12 to 15 months.
- Construction is estimated to commence in the Fall of 2018.
- We will remain in the Library at 1886 Front Street until construction begins.
- During construction the Library will relocate to a temporary facility in East Meadow.
- We anticipate a brief interruption of Library services while staff and materials are moved.
