

# Using for Trivia Night

## Tech requirements

To join the game, you should have the following:

- **A tablet, or mobile device is better for play, but desktop, laptop can be used.** - Download the Kahoot [mobile app](#) (available in the App Store for Apple iOS 10 and newer, Google Play for Android OS 5.0 and newer, Amazon Appstore for Fire OS 5.0 and newer and HUAWEI AppGallery for Android OS 5.0 and newer), If you do not have a Mobile Device you can use one of the following web browsers -Chrome, Firefox, Safari, Edge, and IE
- **A stable internet connection** - If you're experiencing frequent disconnections, there are some things you can do to test your internet stability. As a quick fix, try switching to a different connection method (ethernet, wifi, cellular). Data usage of Kahoot is very low. You could easily answer 1,000 questions and be well under 1GB of data used.
- **A Game PIN** – This will be sent via e-mail by the library to those who register.

## How to Join and Play the Game

No account is used to join a game; all you need is the game PIN.

1. Open the mobile app and tap “Enter PIN” or open your device’s web browser and go to kahoot.it
2. Enter the game PIN we sent you.
3. Type in your name when it asks for a nickname of your choice.
4. Questions will appear on your computer screen in the Zoom Meeting, not on your device.
5. Tap the letter of the answer you think is correct on your device. Speed in answering and accuracy both count.
